I don't wanna be the girl	But why do I feel this party's over?
Who (1) the loudest	No (13) inside
Or the (2) who never	You're like perfection
Wants to be alone	How do I feel (14) good sober?
I don't wanna be that call	I'm (15) down, coming down, coming down
At 4 o'clock in the morning	Spinning 'round, spinning 'round, spinning 'round
'cause I'm the only one you know	Looking for myself, sober
In the world (3) won't be (4)	I'm coming down, coming down, coming down
Ahh, the sun is blinding	Spinning 'round, (16) 'round,
I stayed up again	(17) 'round
Oohh, I am finding	Looking for myself, sober
That's not the way I (5) my story to end	When it's good, (18) it's good
I'm safe up high	It's so good (19) it (20) bad
Nothing can touch me	Till you're trying to find
But why do I (6) this party's over?	The you that you once had
No pain inside	I have heard myself cry, "Never again"
You're my protection	Broken down in agony
How do I (7) (8) good sober?	Just trying to find a friend
I don't wanna be the girl	I'm safe up (21)
Who has to fill the silence	Nothing can touch me
The quiet scares me	But why do I feel this party's over?
Cause it screams the truth	No (22) (23)
Please don't tell me (9)	You're like perfection
We had (10) conversation	How do I feel this good (24)
I won't remember, (11) your breath	I'm safe up high
'cause what's the use?	Nothing can touch me
Ahh, the night is calling	But why do I feel this party's over?
And it (12) to me softly,	No pain (25)
"Come and play"	You're like perfection
Ahh, I am falling	How do I feel this good sober?
And if I let myself go	Will I ever (26) this good sober?
I'm the only one to blame	Tell me, No no no no (27)
I'm safe up high	How do i feel this good sober?
Nothing can touch me
