I Drove All Night by Celine Dion

I had to escape

The city was sticky and cruel

Maybe I should have called you first

But I was dying to get to you

I was dreaming while I drove

The long straight road ahead, uh uh yeah

Could taste your sweet kisses

Your arms open wide

This fever for you

Is just burning me up inside

I drove all night to get to you

Is that alright?

I drove all night, crept in your room

Woke you from your sleep

To make love to you

Is that alright? I drove all night

What in this world

Keeps us from falling apart?

No matter where I go, I hear

The beating about our one heart

I think about you

When the night is (1)_____ and dark, uh uh yeah

No one can (2)_____ me

The way (3)_____ you do

Nothing erases this feeling

Between me and you

I drove all (4)_____ to get to you

Is that alright?

I drove all night, crept in your room

Woke you from your sleep

To make love to you

Is (5)_____ alright? I drove all night

I taste your sweet kisses

Your arms open wide

This fever for you

Is just burning me up inside

I drove all (6)_____ to get to you

Is that alright?

I (7)_____ all night, crept in your room

Is that alright? I (8)_____ all night
