Russians by Sting

In Europe and America

There's a growing feeling of hysteria

Conditioned to respond to all the threats

In the rhetorical speeches of the Soviets

I don't subscribe to this point of view

It would be such an ignorant thing to do

If the Russians love their children too

How can I save my (1)_____ boy

From Oppenheimer's deadly toy

There is no (2)_____ in common sense

On either side of the political fence

We share the same biology

Regardless of ideology

Believe me (3)_____ I say to you

I hope the Russians love their children too

There is no (4)_____ precedent

To put the words in the mouth of the President

There's no such thing as a winnable war

It's a lie that we don't believe anymore

Mr. Reagan says we will protect you

I don't (5)_____ to this point of view

Believe me when I say to you

I (6)_____ the Russians love (7)_____ children too

We (8)_____ the same biology

Regardless of ideology

What might save us, me, and you
