

Fill in the gaps

Thursday night, everything's fine
Except you've got (1) look in your eye
When I'm telling a story, and you find it boring
You're (2) of something to say
You'll go along with it, then drop it
And humiliate me in front of our friends
Then I'll use that voice (3) you find annoying
And say something like,
"Yeah, intelligent input, darling.
Why don't you just have another beer then?"
Then you'll (4) me a bitch
And everyone we're with will be embarrassed
And I won't give a shit
My fingertips are holding onto
The cracks in our foundation
And I know (5) I should let go, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
You said I must eat so (6) lemons
'Cause I am so bitter
I said, "I'd rather be with (7) friends, mate,
'Cause they are much fitter."
Yes, it was childish
And you got aggressive
And I must admit that I was a bit scared
But it gives me thrills to wind you up
My fingertips are holding onto
The cracks in our foundation

And I know that I should let go, but I can't And every time we fight I know it's not right Every time that you're upset and I smile I know I should forget, but I can't Your face is pastey 'Cause you've gone and got so wasted What a surprise Don't want to look at your face, 'cause it's making me sick You've gone and got sick on my trainers I only got these yesterday Oh my gosh, I cannot be bothered with this Well, I'll leave you there 'till the morning And I purposely won't turn the heating on And dear God, I hope I'm not stuck with this one My fingertips are holding onto The cracks in our foundation And I know that I should let go, but I can't And every time we fight I (8)_____ it's not right Every time that you're upset and I smile I know I should forget, but I can't And every time we fight I know it's not right Every time (9)_____ you're upset and I smile I know I should forget, but I can't And every time we fight I know it's not right Every (10)_____ that you're upset and I smile
