

Fill in the gaps

God bless us everyone		No!
We're a broken (1) (2)	under	And when I close my eyes tonight
loaded gun		To symphonies of blinding light
And it can't be outfought		God save us everyone
It can't be outdone		Will we burn (6) the fires of a thousand suns?
It can't outmatched		Oh!
It can't be outrun, no!		Like memories in cold decay
God bless us everyone		Transmissions echoing away
We're a broken people living under loaded gun		Far from the world of you and I
And it can't be outfought		Where oceans bleed into the sky
It can't be outdone		Like memories in cold decay
It can't outmatched		Transmissions echoing away
It can't be outrun		Far from the world of you and I
No!		Where oceans bleed (7) the sky
And when I close my eyes tonight		Lift me up
To symphonies of blinding light		Let me go
God bless us everyone		Lift me up
We're a broken people (3)(4))	Let me go
loaded gun		Lift me up
Oh!		Let me go
Like memories in cold decay		Lift me up
Transmissions echoing away		Let me go
Far from the world of you and I		Lift me up
Where oceans bleed into the sky		Let me go
God save us everyone		Lift me up
Will we burn inside the fires of a thousand suns?		
For the sins of our hand		God bless us everyone
The sins of our tongue		We're a broken people (8) under
The sins of our father		(9) gun
The sins of our young		And it can't be outfought
No!		It can't be outdone
God save us everyone		It can't outmatched
Will we burn (5) the fires of a tho	ousand suns?	It can't be outrun
For the sins of our hand		
The sins of our tongue		
The sins of our father		
The sins of our young
