

Fill in the gaps

Something Stupid by Frank Sinatra

I know I stand in line until you think

You have the time to spend an evening with me

And if we go someplace to dance

I know (1)_____ there's a chance

You won't be leaving with me

And afterwards we drop into a quiet (2)_____ place

And have a drink or two

And (3)_____ I go and spoil it all by saying

Something stupid like I love you

I can see it in your eyes that you despise

The same old lines you heard the night before

And though it's just a line to you for me it's true

And never seemed so right before

I practice everyday to find some clever lines

To say to make the meaning come true

But (4)_____ I think I'll wait

Until the evening (5)_____ late

And I'm alone (6)_____ you

The time is right your perfume fills my head

The stars get red and on the nights so blue

And then I go and spoil it all by saying

Something (7)_____ like I love you

The time is right your perfume fills my head

The stars get red and on the (8)_____ so blue

And then I go and (9)_____ it all by saying

Something stupid like I love you

I love you, I love you, I love you
