I'm not saying right is wrong
It's up to us to make
The best of all the things that come our way
'Cause everything that's (19) has past
The answer's in the looking glass
There's (20) and twenty (21)
doors
On life's (22) corridor
Say it (23) and (24) it proud
And they
Will dance if they want to dance
Please brother take a chance
You know they're gonna go
Which way they (25) go
All we (26) is that we don't know
How it's (27) be
Please brother let it be
Life on the other hand
Won't make us understand
We're all part of the masterplan
