Fill in the gaps

She's Got A Motorcycle by Frankie Cocozza

Look at those mirrored eyes	Show you the nightlife
I want them	Although it wasn't easy
How your legs (1) to shine	Now it's all so breezy
I can see them	Yeah, I'm loving every mile with you
Your smile floods the street	I've got a motorcycle
Like a wild child	A big bad motorcycle
I hear your heart as it beats	I know how much you like it
To your own style	But you can't (6) it
You've been locked up for days	I've got a motorcycle
And that's just not alright	I know I took the Michael
I wanna steal you away	It (7) so damn delightful
Show you the nightlife	I just can't hide it
I know it would be easy	(Oh, oh, oh)
'Cause I'm feeling tired and wheezy	Your'e Shh! out of luck?
And the (2) it seems much smoother with you	I knew one day I'd fill you up
She's got a motorcycle	On my motorcycle
A big bad motorcycle	My big bad motorcycle
She knows how much I (3) it	I know how much you like it
She won't let me ride it	But I won't let you ride it
She's got a motorcycle	Then I woke up
It looks so damn delightful	From the most (8) of daydreams
She knows how much I like it	A fairytale
She keeps tryna hide it	
	A fantasy
Why, why, am I out of luck?	A fantasy Just waved its last goodbye to me
