Calling You by Jevetta Steele

A desert road from Vegas to nowhere

Some place better than where you've been

A coffee machine that needs some fixing

In a little cafe just around the bend

I am calling you

Can't you hear me

I am calling you

A hot dry wind blows right through me

The baby's crying and I can't sleep

But we both know a change is coming

Coming closer, sweet release

I am calling you

I (1)_____ you hear me
