Want U Back by Cher Lloyd & Astro

	I broke it off thinking you'd be crying
Hey, boy you never had (1) game	Now I feel (15) ****, looking at you flying
Thought I needed to upgrade	I want u back, I want u back
So I (2) and walked away-way-way	Want-want u, want u back
Now, I seen you've been hanging out	(Ooh) I thought you'd still be mine
With that other girl in town	When I kissed you goodbye
Looking (3) a pair of clowns, clowns, clowns	(Oh oh, oh oh)
Remember all the (4) that you and I did first?	(Ooh) and you (16) be with her
And now you're doing them with her	But I still had you first
Remember all the (5) that you and I did first?	(Oh oh, oh oh) (Astro)
You got me, got me (6) this	We used to be
And now you're taking her to every restaurant	But now there's a separation between you and me
And everywhere we went, come on!	Baby I'm moving on to another girl
And now you're taking her to every restaurant	That understands me more
You got me, got me like this	Dated in front (17) place so you (18)
Boy you can say anything you want	see it all
I don't (7) ****, no one else can have ya	I remember the times, when we used to bond
I want u back, I want u back	But I never realized that you wanted to be mine
Want-want u, want u back	So I gave her the ring instead of you
I broke it off thinking you'd be crying	Nickname too
Now I feel (8) ****, looking at you flying	I can tell you're upset, because it ain't you
I want u back, I want u back	Met a new girl, and I gave her my heart
Want-want u, want u back	Not (19) that you wanted me from the
Please, this ain't even jealousy	very start
She ain't got a thing one me	You (20) me back? We can just be friends
Trying to rock them (9) jeans, jeans, jeans	Don't try to (21) all (22) again,
You clearly didn't think this through	(23) on
If (10) I've been told is true	Boy you can say (24) you want
If (10) I've been told is true You'll be crawling (11) like (boo-hoo-hoo)	Boy you can say (24) you want I don't give a **** no one else can have ya
