

Oh...

And I (1)	on my best friend	And if it's going to be my destiny
She (2) advice me		I don't want to wait till it comes to
She broke out her code		I will work so hard
And then put on her jacket		My hands will hurt
Now I'm scared because she's really gone		I will pay my sins
Oh		If so in hell
Oh		Serenade
And I (3)	on my best friend	Serenade me
Do you remember?		They say I'm dry
She was so young		But I'm just sick
And now that we're burning		Serenade me
They're scared because she's really gone		They say I'm cold
Oh		But I'm just sick
Oh		Serenade me
And if it's going to be my destiny		And if it's going to be my destiny
I don't want to wait till it comes to me		I don't want to wait till it (8)
I will (4) so hard		I will work so hard
