Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ (2)_____ of white-flamed
butterflies in my brain
These (3)_____ of mine percolate the mind
Trickle down the spine
Swarm the belly, (4)_____ to a blaze
That's when the pain (5)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (6)_____ she think of me?
That I'm not what I (7)_____ to be
That I'm what I try not to be
It's got to be (8)_____ else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna (9)_____ open
The rib is the shell and heart is the yolk
And I just need a meal for us (10)_____ to
(11)_____ on

Every single night's a fight with my brain
I just want to (12)_____ everything
I just want to (13)_____ everything
I (14)_____ want to feel everything
So I'm (15)_____ try to be still now
Gonna (16)_____ the mill a little while and
If we had a double king size bed
We could (17)_____ in it and I'd (18)_____ forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast just (19)_____ open
My heart's made of parts of all that's around me
And that's why the (20)_____ (21)_____ can't get
around me
Every (22)_____ night's alright
Every single night's a fight
And (23)_____ single fight's alright with my brain
I just (24)_____ to feel everything
I just want to feel everything
I just want to feel everything
I (25)_____ (26)_____ to feel everything
