Fill in the gaps

I settled down
A twisted up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a place uncharted and overgrown
You'd make your way in
I'd resist you just (1)_____ this you can't tell me to feel
The truth never set me free so I did it myself
You can't be too (2)_____ anymore
When all (3)_____ is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open (4)_____ eyes like I opened mine
It's only the real world
A life you (5)_____ never know
Shifting (6)_____ weight to (7)_____ off the pain
Well, you can ignore it, but (8)_____ for so long
You look like I did

You resist me just like this you can't tell me to heal
And it hurts remembering how it felt to shut down
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
The (9)_____ never set me free
The truth never set me free
The truth never set me free so I'll do it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to (10)_____ out
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out more
More, more, more, more!
