Make You Feel My Love by Adele

Fill in the gaps

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To (1) you feel my love
When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven't made your mind up yet
But I would (2) do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong
l'd go hungry, l'd go black and blue
And I'd go (3) down the avenue
And I'd go (3) down the avenue No, there's nothing that I wouldn't do
No, there's nothing that I wouldn't do
No, there's nothing that I wouldn't do To make you (4) my love
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret Though winds of change are throwing wild and free
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret Though winds of change are throwing wild and free You ain't (7) nothing like me yet
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret Though winds of change are throwing wild and free You ain't (7) nothing like me yet I could make you happy
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret Though winds of change are throwing wild and free You ain't (7) nothing like me yet I could make you happy Make your (8) come true
No, there's nothing that I wouldn't do To make you (4) my love The (5) are raging on the rolling sea And on the (6) of regret Though winds of change are throwing wild and free You ain't (7) nothing like me yet I could make you happy Make your (8) come true Nothing that I wouldn't do

Fill in the gaps

- 1. make
