## Shelter by Birdy

## Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear (1) I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I (2) it (3)
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it (4)
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to drown (5) you leave
I still want to drown (5) you leave  Please teach me gently how to breathe
Please teach me gently how to breathe
Please teach me gently how to breathe  And I'll cross oceans like never before
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too
Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too  Maybe I have said
