We can't love, not like this
You broke me down, do I even exist?
(1) everything
Give you everything, I lost everything
Love is so lonely now
I don't wanna run no more
Can't believe in all the s*it (2) I did for you
And I don't wanna hurt no more
Oh my heart, It must have been too big for you
So caught up in the love I felt for you
I burned down, like a flame I held for you
But it never was enough, I never got your love
I loved you so (3) but you never gave a f***
Never loved, no you never loved me
After all the love that I gave to you boy
(4) loved, no you never loved me
Never loved, no you never loved me
(5) it all I had, gave it all I could
Got me feeling ways I probably never should
