

## Fill in the gaps

If you could envision
The (1) of a tragedy
You might be surprised
To (2) it's you and me
But when it comes down to it
You (3) made the most of it
So I cried, cried, cried
And now, I say goodbye
And I won't be made a (4) of
Don't call this love
When did you (5) that I didn't have enough
To buy?
To buy? (6) and forget you a thousand times
(6) and forget you a thousand times
(6) and forget you a thousand times For the fire and the sleepless nights
(6) and forget you a thousand times For the fire and the sleepless nights And I won't be made a fool of
(6) and forget you a thousand times For the fire and the sleepless nights And I won't be made a fool of Don't call this love
