(Kissed you) Good night by Gloriana

I dropped you off
Just a little after midnight
Sat in my car
Till you turned off your porch light
I should have kissed you
I should (1)_____ pushed you up against the wall
I (2)_____ have kissed you
Just like I wasn't scared at all
I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch
And I kissed you, goodnight
And now that I've kissed you
It's a good night, good night, baby goodnight
You (3)_____ see me
Watching through the window
Wondering what went wrong
Praying that you wouldn't go
You should have kissed me
You should have pushed me up against the wall
You should (4)_____ kissed me

I was right on the edge and ready to fall
So I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch
And I kissed you, goodnight
And now that I've kissed you
It's a good night, good night, (5)_____ goodnight
I turned off the car
Ran through the yard
Back to your front door
Half scared to death (6)_____ catch my breath
Aren't these the moments we live for?
And I kissed you, goodnight
And now that I've kissed you
It's a good night, good night, baby goodnight
It's a good night, good night, baby goodnight
It's a good night, good night, (7)_____ goodnight
It's a (8)_____ night, (9)_____ night, baby
goodnight
