Shine a light through an (10)				
Love and life I will divide				
Turn away cause I need you more				
Feel the heartbeat in my mind				
It's the way I'm feeling				
I just can't deny				
But I've gotta let it go				
We found love in a hopeless place				
We found love in a hopeless place				
We found love in a hopeless place				
We found love in a hopeless place				
Yellow diamonds in the light				
And we're standing side by side				
As your shadow crosses mine				
We found love in a hopeless place				
We found love in a hopeless place				
We found love in a hopeless place				
We found love in a hopeless place
