

## Fill in the gaps

| Who are you now?                         |
|--|
| Are you (1) the same                     |
| Or did you (2) somehow?                  |
| What do you do                           |
| At this very moment when I think of you? |
| And when I'm looking back                |
| How we (3) young and stupid              |
| Do you remember that?                    |
| No (4) how I fight it                    |
| Can't (5) it                             |
| Just can't let you go                    |
| I still need you                         |
| I still care (6) you                     |
| Though everything's been (7) and done    |
| I still (8) you                          |
| Like I'm right (9) you                   |
| But (10) no word from you                |
| Now look at me                           |
| Instead of moving on, I refuse to see    |
| That I keep coming back                  |
| And I'm (11) in a moment                 |
| That wasn't meant to last (to last)      |

| I've tried to (12) it                  |
|--|
| Can't deny it                          |
| You don't (13) know                    |
| That I (14) (15) you                   |
| I still (16) you                       |
| Though everything's (18) said and done |
| I (19) feel you                        |
| Like I'm (20) you                      |
| But (22) no word from you              |
| No no                                  |
| I wish I (23) find you                 |
| Just like you found me then I          |
| Would never let you go (without you)   |
| Though everything's (24) said and (25) |
| (yeah)                                 |
| I still (26) you (I still (27) you)    |
| Like I'm right                         |
| Like I'm right (beside you) beside you |
| But still no, still no word            |
| Word from you                          |
