I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every waking hour
And every lonely night
I love my computer
For all you give to me:
Predictable errors and no identity
And it's never been quite so easy
I've never been (1)_____ so happy
All I (2)_____ to do is (3)_____ on you
And we'll be joined
In the (4)_____ soul-less way
And we'll never ruin each other's day
'cuz when I'm through I just click
And you just go away
I love my computer
You're always in the mood
I get so turned on

When I turn on you
I (5)_____ my computer

The world outside is so big
But it's safe in my domain
Because to you
I'm just a number
And a (6)_____ screen name
All I (7)_____ to do is click on you
And we'll be together for eternity
